1. What Is *Circular 14*?

Circular 14, Textbooks is an annual publication that provides a list of texts approved by the Minister of Education for use in Ontario schools. This circular is published annually. Two supplements, *Circular 14A*, published in the spring, and *Circular 14B*, published in the fall, provide updated listings of texts that have been approved for use.

2. Legislation Regarding the Provision of Textbooks

Circular 14 is issued on the authority of the Minister of Education under the Education Act. The following extracts from the act and from Ontario Regulation 262/81 relate to the selection and use of texts in Ontario schools.

a) Education Act, 1981

- requiring boards to purchase books for the use of pupils; [subsection 1(8)]

Section 149

Every board shall, . . .

- provide, without charge, for the use of the pupils attending the school or schools operated by the board, the textbooks that are required by the regulations to be purchased by the board; . . . [subsection 13]

Section 235

(1) It is the duty of a teacher, . . .

- to use and permit to be used as a textbook in a class that he teaches in an elementary or a secondary school,

- i) in a subject area for which textbooks are approved by the Minister, only textbooks that are approved by the Minister, and

- ii) in all subject areas, only textbooks that are approved by the board. [subsection 1(k)]

Section 236

It is the duty of a principal of a school, in addition to his duties as a teacher,

- to ensure that all textbooks used by pupils are those approved by the board and, in the case of subject areas for which the Minister approves textbooks, those approved by the Minister; [subsection (h)]

1. Qu'est-ce que la *Circulaire 14*?

La *Circulaire 14. Manuels scolaires* est une publication annuelle qui donne la liste des manuels scolaires approuvés par la ministre de l'Éducation qui pourront être utilisés dans les écoles de l'Ontario. Elle est publiée chaque année. Ses deux suppléments, la *Circulaire 14A*, publiée au printemps, et la *Circulaire 14B*, publiée à l'automne, contiennent des listes à jour de manuels agréés.

2. Réglementation relative à la fourniture des manuels scolaires

La parution de la *Circulaire 14* relève de la compétence de la ministre de l'Éducation en vertu de la *Loi sur l'éducation*. On trouvera ci-dessous des extraits de cette loi et du *Règlement 262* se rapportant au choix et à l'utilisation des manuels dans les écoles de l'Ontario.

a) Loi sur l'éducation

Article 8

(1) Le [la] ministre peut [. . .]

- d) déterminer la marche à suivre et fixer les conditions pour que les livres et le matériel d'apprentissage soient choisis et approuvés par le [la] ministre;

- e) acheter et distribuer les manuels scolaires et autre matériel d'apprentissage qui doivent être utilisés dans les écoles;

- f) choisir et approuver les manuels scolaires, livres de bibliothèque, ouvrages de référence et autre matériel d'apprentissage qui doivent être utilisés dans les écoles;

- g) faire publier des listes de manuels scolaires, de matériel d'apprentissage, d'ouvrages de référence et de livres de bibliothèque choisis et approuvés par le [la] ministre et qui doivent être utilisés dans les écoles primaires et secondaires; [. . .].

Article 10

(1) Sous réserve de l'approbation du lieutenant-gouverneur en conseil, le [la] ministre peut prendre des règlements relatifs aux écoles ou aux classes ouvertes aux termes de la présente loi ou d'une loi que celle-ci remplace et aux autres écoles financées en tout ou en partie par les deniers publics pour : [. . .]

- 8. exiger que les conseils achètent des livres à l'usage des élèves; [. . .].

Article 149

Le conseil exerce les fonctions suivantes : [. . .]

- 13. fournir gratuitement aux élèves fréquentant une école qu'il fait fonctionner, les manuels scolaires qu'il doit acheter en vertu des règlements; [. . .].

Article 235

(1) L'enseignant [ou l'enseignante], même temporaire, doit exercer les fonctions suivantes : [. . .]

- k) n'utiliser et permettre de n'utiliser comme manuel dans une classe d'école primaire ou secondaire où il [elle] enseigne :

- i) que les manuels approuvés par le [la] ministre dans une matière pour laquelle les manuels sont approuvés par ce dernier [cette dernière],

- ii) que les manuels approuvés par le conseil dans toutes les matières.

b) Ontario Regulation 262/81: Elementary and Secondary Schools and Schools for Trainable Retarded Children – General

Section 7

– The principal of a school, in consultation with the teachers concerned, shall select from the list of the textbooks approved by the Minister the textbooks for the use of pupils of the school, and the selection shall be subject to the approval of his board. [subsection 1]

– Where no textbook for a course of study is included in the list of the textbooks approved by the Minister, the principal of a school, in consultation with the teachers concerned, shall, where they consider a textbook to be required, select a suitable textbook and, subject to the approval of the board, such textbook may be introduced for use in the school. [subsection 2]

– In the selection of textbooks under subsection (2), preference shall be given to books that have been written by Canadian authors and edited, printed and bound in Canada. [subsection 3]

– A board shall provide without charge for the use of each pupil enrolled in a day school, operated by the board, such of the textbooks selected under subsections (1) and (2) as relate to the courses in which the pupil is enrolled, except textbooks that relate to courses for credit towards the Secondary School Honour Graduation Diploma. [subsection 4]

3. Selection of Textbooks

a) Textbooks Chosen From Circular 14

In all subject areas for which approved texts are listed in *Circular 14*, selection must be made from this list unless permission to use another text has been granted by the Minister. The texts selected for use must be approved by board resolution (see the Education Act, sections 235 and 236). Although there are texts listed in *Circular 14* for courses leading to the Secondary School Honour Graduation and/or for Ontario Academic Courses, teachers may select other materials that they deem appropriate, subject to the approval of the local school board.

b) Textbooks Requiring Only Board Approval

In those subject areas and programs for which no texts are listed in *Circular 14* (e.g., English literature, littérature française, the authors studied in modern languages and classics courses, shorthand, and special education), texts provided by the school board are to be selected by the principal of each school in consultation with the teachers. The selection is to be approved by board resolution (see the Education Act, sections 235 and 236).

This provision for local selection and approval of texts also applies to those guidelines (e.g., *Visual Arts, Law, Family Studies*) for which the texts listed do not provide material for the entire course. A note to this effect accompanies the listings for the appropriate guidelines in *Circular 14*.

Article 236

En plus de ses fonctions d'enseignant [ou d'enseignante], le directeur [ou la directrice] d'école doit exercer les fonctions suivantes : [. . .]

h) s'assurer que les manuels utilisés par les élèves sont ceux que le conseil a approuvés et, dans le cas de matières pour lesquelles le [la] ministre approuve les manuels, ceux qui sont approuvés par le [la] ministre; [. . .].

b) Règlement 262. Écoles primaires et secondaires et écoles pour élèves déficients mentaux moyens – Généralités

Article 7

(1) Après avoir consulté les enseignants intéressés, le directeur [ou la directrice] de l'école choisit, à partir de la liste des manuels approuvés par le [la] ministre, ceux qui seront utilisés par les élèves de l'école, sous réserve de l'approbation du conseil.

(2) Si aucun de ces manuels ne correspond à un programme d'études donné, le directeur [ou la directrice] de l'école, après avoir consulté les enseignants intéressés, choisit, s'il est jugé nécessaire, un manuel approprié qui, sous réserve de l'approbation du conseil, peut être utilisé par les élèves.

(3) La préférence est accordée, dans le choix d'un manuel, à l'ouvrage rédigé par un auteur [ou une auteure] canadien [ne] et édité, imprimé et relié au Canada.

(4) Le conseil met gratuitement à la disposition des élèves inscrits dans une école de jour qu'il administre les manuels qui correspondent aux programmes des élèves, à l'exception des manuels relatifs aux programmes donnant droit à des crédits en vue de l'obtention du diplôme d'études secondaires supérieures.

3. Le choix des manuels scolaires

a) Choix de manuels figurant dans la Circulaire 14

Dans toutes les matières pour lesquelles la *Circulaire 14* donne une liste de manuels agréés, il faut choisir des ouvrages figurant sur cette liste, à moins que l'on ait reçu de la ministre l'autorisation de faire un autre choix. Les manuels choisis doivent être approuvés par une résolution du conseil scolaire (voir la *Loi sur l'éducation*, articles 235 et 236). Bien qu'il y ait dans la *Circulaire 14* des manuels qui peuvent être utilisés dans les cours préparant au diplôme d'études secondaires supérieures ou dans les cours préuniversitaires de l'Ontario, les enseignants peuvent choisir d'autres ouvrages qu'ils jugent appropriés, à la condition qu'ils soient approuvés par leur conseil scolaire.

b) Choix de manuels ne nécessitant que l'approbation du conseil scolaire

En ce qui concerne les matières et les programmes pour lesquels la *Circulaire 14* ne donne aucune liste de manuels scolaires (par exemple : la littérature anglaise, la littérature française, les grands auteurs anciens, classiques et modernes, la sténographie et l'éducation de l'enfance en difficulté), c'est le directeur ou la directrice de chaque école qui, en consultation avec les enseignants, doit choisir les ouvrages que le conseil scolaire va fournir. Ce choix doit être approuvé par une résolution du conseil scolaire (voir la *Loi sur l'éducation*, articles 235 et 236).

Where texts are to be selected locally, as outlined in this section, preference should be given to titles by Canadian authors or editors that are printed and bound in Canada.

c) Textbooks Requiring Ministry Permission

Requests for permission to use texts not listed in *Circular 14*, or not covered under section 3(b) above, must be submitted by the chief education officer for a school board to the regional director of education for the attention of the director of the Special Projects Branch, Education Services Division. The request should include a statement to the effect that the board has approved the use of these texts.

d) Textbooks for Experimental Courses

Courses not included in the rationale of existing ministry guidelines require ministry approval for purposes of credit towards the Ontario Secondary School Graduation Diploma and the Ontario Secondary School Honour Graduation Diploma. Permission is also required in order to use texts in connection with such courses, exclusive of courses leading to the Secondary School Honour Graduation Diploma.

A submission for the approval of an experimental course should include a list of the text(s) proposed for use and a statement to the effect that the board has approved the use of the text(s).

e) Language of Textbooks

For classes and schools established under part XI of the Education Act, "French Language Instruction", the texts selected by school boards shall be in the language of instruction of the program or course in which they are used unless permission is given by the regional director of education to do otherwise.

4. General Information Regarding Textbooks and Kits

a) Eligibility for Evaluation for *Circular 14*

Materials to be evaluated for possible inclusion in *Circular 14*, must meet the following criteria:

- Wherever possible, books and kits must be originally written by a Canadian citizen or citizens and printed, bound, or manufactured in Canada. When special circumstances dictate, inclusion of some non-Canadian items in a kit may be permitted.

- The content must be accurate, of sound scholarship, and have contemporary relevance.

- The materials must be consistent with one or more curriculum guidelines developed by the Ministry of Education and support a substantial part thereof.

- The book or kit must be intended for pupil, not teacher, use.

- A book must be of such a nature that it would be purchased in multiple copies for use by a class or groups of students.

Cette disposition relative au choix et à l'approbation des manuels scolaires au niveau local s'applique également aux programmes-cadres (par exemple : *Les arts visuels, Le droit, La famille*) pour lesquels la liste fournie ne donne pas suffisamment d'ouvrages pour couvrir toute la matière du cours. On trouvera une note à cet effet dans la *Circulaire 14*, sous le titre des programmes-cadres concernés.

Lorsque les manuels scolaires sont choisis au niveau local, en vertu de ce qui précède, il y a lieu de donner la préférence aux ouvrages d'auteurs et d'éditeurs canadiens, imprimés et reliés au Canada.

c) Manuels nécessitant l'approbation du ministère

L'agent ou l'agent(e) en chef d'éducation du conseil scolaire doit soumettre au directeur régional ou à la directrice régionale de l'éducation, à l'attention du directeur de la Direction des projets spéciaux, Division des services éducationnels, toute demande relative à l'utilisation de manuels scolaires ne figurant pas dans la *Circulaire 14* ou n'entrant pas dans les catégories d'ouvrages mentionnées à la rubrique 3(b) ci-dessus. Il faut préciser dans la demande que le conseil scolaire a approuvé l'utilisation des manuels en question.

d) Manuels utilisés dans les cours expérimentaux

Tout cours se plaçant en marge des programmes-cadres du ministère doit être approuvé par le ministère pour donner droit à un crédit en vue de l'obtention du diplôme d'études secondaires et du diplôme d'études secondaires supérieures de l'Ontario. Il faut aussi obtenir une permission pour tous les ouvrages qui seront utilisés dans ces cours, à l'exception des cours préparant au diplôme d'études secondaires supérieures.

Toute demande d'approbation de cours expérimental doit comporter une liste des manuels que l'on prévoit utiliser et une note indiquant que le conseil scolaire en a approuvé l'utilisation.

e) Langue dans laquelle doivent être rédigés les manuels

Les manuels choisis par les conseils scolaires pour être utilisés dans les classes ou les écoles instituées en vertu de la onzième partie de la *Loi sur l'éducation*, «Enseignement en français», doivent être imprimés dans la langue d'enseignement du programme ou du cours dans le cadre duquel ils sont utilisés, sauf si le directeur régional ou la directrice régionale de l'éducation permet qu'il en soit autrement.

4. Renseignements généraux concernant les manuels scolaires et les troussees

a) Critères d'évaluation des manuels et des troussees devant figurer dans la *Circulaire 14*

Les manuels et troussees devant être évalués en vue de figurer dans la *Circulaire 14* doivent répondre aux critères suivants :

- Dans la mesure du possible, les manuels et les troussees doivent être initialement rédigés par un, une ou plusieurs citoyens canadiens et imprimés, reliés ou fabriqués au Canada. Dans des circonstances exceptionnelles, on peut accorder la permission d'inclure des éléments non canadiens dans une trousse.

- Le contenu doit être exact, constituer une base d'enseignement solide et être en rapport avec notre temps.

The following types of materials are not eligible for *Circular 14* evaluation and listing:

- consumable workbooks,
- teachers' guides,
- laboratory materials,
- kits consisting mainly of consumable items,
- manipulative materials,
- games and puzzles.

b) Approval Procedures

When a publisher wishes to have a book or a kit considered for *Circular 14* listing, nine copies of the book or two copies of the kit are submitted to the Special Projects Branch of the Ministry of Education. If the submission is eligible for evaluation, the ministry then sends a copy to each of several evaluators for comments and recommendations. Evaluators include classroom teachers, other specialists from the educational community, and at least one person with expertise in the evaluation of materials for bias. The items are examined on the basis of established criteria, and reports are submitted to the ministry. These reports are reviewed in detail, and a decision is made under the authority of the Minister of Education with respect to *Circular 14* listing.

c) Local Evaluation of Textbooks

Several approved texts are listed for use in courses based on many of the curriculum guidelines to provide schools with flexibility in the selection of titles to accommodate individual differences among pupils. All materials to be used as texts should be evaluated by the appropriate teaching staff members before recommendations are made to the principal regarding the materials to be selected as texts.

d) Reading Levels

The variation in reading levels of titles listed for any one guideline in *Circular 14* enables teachers to choose texts that will accommodate the range of students' reading abilities. The ministry has not assigned reading-level designations to the texts. It is preferable for each teacher to determine the suitable reading level of materials for use by his or her students. In addition to the vocabulary used, conceptual level, and style of writing, other factors such as student motivation, maturity, cultural background, abilities, and experience should be considered when selecting suitable texts.

e) Reference Materials

In addition to textbooks adopted for student use, schools may wish to have available in the classroom and the school library resource centre a selection of reference materials to support the school curriculum and to facilitate the development of resource-based programs. Such materials may include copies of titles from *Circular 14* not selected for use as texts, books and audio-visual materials listed in ministry curriculum guidelines, and other materials chosen from publications such as *Canadian Materials for Schools and Libraries*, available from:

Canadian Library Association
151 Sparks Street
Ottawa, Ontario
K1P 5E3

– Le matériel doit être conforme aux exigences d'un ou de plusieurs programmes-cadres du ministère de l'Éducation et étayer une bonne partie de son contenu.

– L'ouvrage ou la trousse doit être destiné à l'élève et non aux enseignants.

– L'ouvrage doit être tel que l'on puisse en acheter plusieurs exemplaires pour une classe ou un groupe d'élèves.

Voici une liste de matériel qui ne peut ni être évalué ni figurer dans la *Circulaire 14* :

- les cahiers d'exercices d'une utilité temporaire,
- les guides pédagogiques,
- le matériel de laboratoire,
- les trousseaux contenant essentiellement des articles d'une utilité temporaire,
- le matériel de manipulation,
- les jeux et les casse-tête.

b) Processus d'approbation

Une maison d'édition qui veut faire examiner un ouvrage ou une trousse d'apprentissage en vue de le ou la voir figurer dans la *Circulaire 14* doit soumettre neuf exemplaires de l'ouvrage ou deux de la trousse à la Direction des projets spéciaux du ministère de l'Éducation. Si le matériel soumis répond aux critères d'évaluation, le ministère en fait parvenir un exemplaire à chacune des personnes chargées de l'évaluation à qui il demande de lui présenter des commentaires et des recommandations. Au nombre des évaluateurs figurent des enseignants, d'autres spécialistes du monde de l'éducation et au moins une personne spécialisée dans l'évaluation de matériel afin d'en déterminer l'objectivité. Le matériel est examiné selon des critères établis et fait ensuite l'objet de rapports qui sont soumis au ministère. On étudie ces rapports en détail et on décide, avec l'approbation de la ministre de l'Éducation, s'il y a lieu ou non d'inscrire le matériel dans la *Circulaire 14*.

c) Évaluation des manuels scolaires au niveau local

Pour donner aux écoles une certaine latitude dans le choix de manuels qui répondent aux besoins propres à chaque élève, on donne une liste de différents ouvrages agréés qui peuvent être utilisés dans des cours inspirés d'un grand nombre de programmes-cadres. Tout matériel destiné à être utilisé comme manuel scolaire devrait être évalué par des membres compétents du personnel enseignant avant d'être recommandé au directeur ou à la directrice d'école.

d) Niveaux de lecture

Les manuels énumérés dans la *Circulaire 14* pour chaque programme-cadre sont à des niveaux de lecture suffisamment variés pour que les enseignants puissent choisir des ouvrages qui conviennent aux capacités diverses des élèves. Le ministère s'est abstenu d'indiquer un niveau de lecture pour les manuels. Il est préférable que chaque enseignant ou enseignante détermine le niveau qui convient à ses élèves. Outre le vocabulaire utilisé, le niveau conceptuel et le style, on doit prendre en ligne de compte, lorsqu'on choisit des manuels, d'autres facteurs comme la motivation, la maturité, le milieu culturel, les aptitudes et l'expérience des élèves.

e) Matériel de référence

À part les manuels scolaires à l'usage des élèves, on voudra sans doute doter les salles de classe et le centre

5. Special Learning Materials for Print-impaired Students

The W. Ross Macdonald School, a provincial resource centre for the visually handicapped, provides special materials to assist local Ontario school boards to meet the needs of their print-impaired students.

The Resource Services Library program provides braille, audio-tape, and large-print materials for print-impaired students.

In order to qualify for this service, a print-impaired student's need for the service must be approved by an ophthalmologist, an educational psychologist, or an educational consultant.

The Resource Services Library will attempt to provide all approved texts in the requested medium upon receipt of the appropriate forms. Forms may be obtained by writing to or telephoning:

The Program Director, Resource Services
The W. Ross Macdonald School
350 Brant Avenue
Brantford, Ontario
N3T 3J9
Telephone: (519) 759-0730

6. Expenditures on Textbooks

The legislative grant for texts is included in the grants for ordinary expenditure. Consequently, the responsibility for insuring that adequate expenditure is made on texts lies with school board officials. The importance of having an adequate supply of up-to-date texts and other learning materials that are relevant to the school curricula and consistent with sound pedagogical practices cannot be overestimated.

Texts selected from *Circular 14* and purchased by a school board remain the property of the board and are intended to be used for more than one school year.

Cette catégorie de matériel peut comprendre des exemplaires de titres qui figurent dans la *Circulaire 14* et qui n'ont pas été adoptés comme manuels scolaires, des livres et du matériel audio-visuel indiqués dans la liste de ressources des programmes-cadres du ministère ou d'autre matériel tiré d'un catalogue comme le *Canadian Materials for Schools and Libraries*, publié par la

5. Matériel didactique destiné aux élèves atteints d'une déficience visuelle

La W. Ross Macdonald School de Brantford est un centre provincial pour les élèves atteints d'une déficience visuelle. Elle met à la disposition des conseils scolaires de l'Ontario du matériel didactique en français ou en anglais à l'intention de ces élèves.

Le centre de ressources de l'école offre du matériel en braille, en gros caractères et sur bandes magnétiques pour les élèves atteints d'une déficience visuelle.

Pour bénéficier de ces services, un ou une élève atteint(e) d'une déficience visuelle doit faire certifier son besoin par un ou une ophtalmologiste, un ou une psychologue scolaire ou un conseiller ou une conseillère pédagogique.

Le centre de ressources s'efforcera de fournir tous les manuels agréés sous la forme demandée après réception des formulaires appropriés. On peut obtenir ces formulaires en écrivant ou en téléphonant à :

La direction du programme, centre de ressources
W. Ross Macdonald School
350, avenue Brant
Brantford (Ontario)
N3T 3J9
Tél. : (519) 759-0730

6. Les dépenses en manuels scolaires

La subvention générale concernant les manuels scolaires est comprise dans les subventions applicables aux dépenses ordinaires. Il appartient donc aux responsables des conseils scolaires de veiller à ce que des sommes suffisantes soient consacrées aux manuels. On ne peut trop insister sur l'importance de se procurer un nombre suffisant de manuels et de matériel didactique à jour, en rapport avec les programmes scolaires et conformes aux bonnes méthodes pédagogiques.

Les manuels qu'un conseil scolaire choisit dans la *Circulaire 14* et achète lui appartiennent et sont destinés à être utilisés pendant plus d'une année scolaire.

Chaque titre figurant dans la Circulaire 14 est précédé d'un numéro d'identification. Ce système a été adopté à la demande de certains conseils scolaires pour leur faciliter la tâche lorsqu'ils commandent des manuels.

e) Prix

Les prix indiqués dans cette publication sont des prix *nets*. Cela veut dire que la remise habituellement accordée aux écoles a été appliquée et que le prix figurant à côté de chaque titre est celui que le conseil scolaire ou l'école devra payer pour le livre. Des frais d'expédition peuvent être ajoutés aux prix nets.

Les prix indiqués dans la Circulaire 14 ou dans l'un de ses suppléments sont en vigueur pendant un an à partir de la date où le titre paraît la première fois. Les changements effectués par la suite sont également applicables pendant l'année qui suit la publication de la circulaire ou du supplément qui annonce le changement.

f) Collections

Les brochures et autres manuels scolaires qui font partie d'une collection sont inscrits sous le titre de la collection concernée. Pour trouver un titre publié dans une collection dont on ignore le nom, on doit se reporter à la liste alphabétique des ouvrages.

Deleted Books

The following titles, which have previously been included in *Circular 14*, are no longer approved as texts. They have been removed mainly because they are out of date and/or out of print, or because they have been replaced by new editions. Where appropriate, the letters "n.e.a." (new edition available) follow the listing.

The books on this list may be used for two years subsequent to the current school year. School boards should establish procedures to ensure that deleted titles are not used as textbooks after the two-year period.

Ouvrages retirés de la Circulaire 14

Les ouvrages ci-dessous, qui figuraient dans la *Circulaire 14*, ne sont plus agréés. Ils en ont été retirés parce qu'ils sont périmés, que l'édition est épuisée ou encore parce qu'ils ont été remplacés par de nouvelles éditions. Le cas échéant, on fait suivre les titres des ouvrages des lettres «n.é.d.» (nouvelle édition disponible).

Les ouvrages qui figurent sur cette liste peuvent être utilisés pendant deux ans après l'année scolaire en cours. Les conseils scolaires devraient prendre des mesures afin que les livres retirés de la circulaire ne soient pas utilisés comme manuels après la période de deux ans.

Primary Division Schedule 1

Introduction

Schedule 1 contains the titles approved for use in the Primary Division. School boards will be required to provide texts selected from Schedule 1 in numbers sufficient for the use of their pupils.

There is a need to recognize the trend away from the use of a single text per grade as the principal instrument of instruction. Instead, there is an increasing emphasis on the development of resource-based programs that actively involve students in the use of a wide range of appropriate print, non-print, and human resources. Teachers need to be provided with an ever-increasing selection of books and other instructional materials in order to be able to choose those that meet the different needs and aptitudes of their pupils.

These lists of texts include titles that do not provide material for an entire course and that would, therefore, not have qualified as texts in the past. Some of these take a unique approach to a subject and cover only part of a course of study; others provide a challenge for advanced pupils and offer a more sophisticated treatment of a course; still others develop one or more topics in depth and provide enrichment or resource material.

The official curriculum policy document for the Primary and Junior Divisions is the general circular entitled *The Formative Years*. This document supersedes all former Primary-Junior curriculum guidelines. However, for convenience, texts in the Primary Division are categorized in *Circular 14* according to the subject headings used previously. It is expected that all texts will be used in accordance with both the policies outlined in *The Formative Years* and the recommendations for effective implementation contained in *Education in the Primary and Junior Divisions*.

Cycle primaire Liste 1

Introduction

La liste 1 énumère les titres agréés pour le cycle primaire. On demande aux conseils de mettre à la disposition de leurs élèves en nombre suffisant les manuels scolaires choisis à partir de la liste 1.

Il y a lieu de remarquer que l'on tend maintenant à ne plus utiliser un seul manuel scolaire par année d'études comme instrument principal d'enseignement. On insiste au contraire, de plus en plus, sur l'élaboration de programmes axés sur les ressources où les élèves utilisent un large éventail de ressources humaines et de matériel imprimé et non imprimé. Il faut fournir aux enseignants un nombre toujours plus grand de livres et autre matériel didactique pour qu'ils puissent répondre aux aptitudes et aux besoins variés des élèves.

Les listes de manuels scolaires comprennent des livres qui ne couvrent pas toute la matière d'un cours et qui, pour cette raison, n'auraient pu se définir autrefois comme des manuels scolaires. Certains livres adoptent une présentation originale de la matière et ne couvrent qu'une partie d'un cours; d'autres intéresseront les élèves de niveau plus avancé car ils offrent un traitement plus complexe du sujet; d'autres encore s'étendent plus en profondeur sur un ou plusieurs sujets et fournissent une documentation supplémentaire utile et intéressante.

Le document officiel se rapportant aux programmes d'études des cycles primaire et moyen est le programme-cadre général intitulé *Les années de formation*, qui remplace tous les précédents. Cependant, pour des raisons de commodité, on a classé les manuels scolaires du cycle primaire, dans la *Circulaire 14*, sous les anciennes rubriques. On s'attend à ce que tous les manuels scolaires soient utilisés conformément aux directives énoncées dans *Les années de formation* et aux recommandations de mise en oeuvre contenues dans *La formation aux cycles primaire et moyen*.

Junior Division Schedule 2

Introduction

Schedule 2 contains the titles approved for use in the Junior Division. School boards will be required to provide texts selected from Schedule 2 in numbers sufficient for the use of their pupils.

There is a need to recognize the trend away from the use of a single text per grade as the principal instrument of instruction. Instead, there is an increasing emphasis on the development of resource-based programs that actively involve students in the use of a wide range of appropriate print, non-print, and human resources. Teachers need to be provided with an ever-increasing selection of books and other instructional materials in order to be able to choose those that meet the different needs and aptitudes of their pupils.

These lists of texts include titles that do not provide material for an entire course and that would, therefore, not have qualified as texts in the past. Some of these take a unique approach to a subject and cover only part of a course of study; others provide a challenge for advanced pupils and offer a more sophisticated treatment of a course; still others develop one or more topics in depth and provide enrichment or resource material.

The official curriculum policy document for the Primary and Junior Divisions is the general circular entitled *The Formative Years*. This document supersedes all former Primary-Junior curriculum guidelines. However, for convenience, texts in the Junior Division are categorized in *Circular 14* according to the subject headings used previously. It is expected that all texts will be used in accordance with both the policies outlined in *The Formative Years* and the recommendations for effective implementation contained in *Education in the Primary and Junior Divisions*.

Cycle moyen Liste 2

Introduction

La liste 2 énumère les titres agréés pour le cycle moyen. On demande aux conseils scolaires de mettre à la disposition de leurs élèves en nombre suffisant les manuels scolaires choisis à partir de la liste 2.

Il y a lieu de remarquer que l'on tend maintenant à ne plus utiliser un seul manuel scolaire comme instrument principal d'enseignement. On insiste au contraire, de plus en plus, sur l'élaboration de programmes axés sur les ressources où les élèves utilisent activement un large éventail de ressources humaines et de matériel imprimé et non imprimé. Il faut fournir aux enseignants un nombre toujours plus grand de livres et autre matériel didactique pour qu'ils puissent répondre aux aptitudes et aux besoins variés de leurs élèves.

Les listes de manuels scolaires comprennent des livres qui ne couvrent pas toute la matière d'un cours et qui, pour cette raison, n'auraient pu se définir autrefois comme des manuels scolaires. Certains livres adoptent une présentation originale de la matière et ne couvrent qu'une partie d'un cours; d'autres intéresseront les élèves de niveau plus avancé car ils offrent un traitement plus complexe du sujet; d'autres encore s'étendent plus en profondeur sur un ou plusieurs sujets et fournissent une documentation supplémentaire utile et intéressante.

Le document officiel se rapportant aux programmes d'études des cycles primaire et moyen est le programme-cadre général intitulé *Les années de formation*, qui remplace tous les précédents. Cependant, pour des raisons de commodité, on a classé les manuels scolaires du cycle moyen, dans la *Circulaire 14*, sous les anciennes rubriques. On s'attend à ce que tous les manuels scolaires soient utilisés conformément aux directives énoncées dans *Les années de formation* et aux recommandations de mise en oeuvre contenues dans *La formation aux cycles primaire et moyen*.

Intermediate Division Schedule 3

Introduction

Schedule 3 contains the titles approved for use in the Intermediate Division. School boards will provide texts selected from Schedule 3 in numbers sufficient for the use of their pupils.

There is a need to recognize the trend away from the use of a single text per grade as the principal instrument of instruction. Instead, there is an increasing emphasis on the development of resource-based programs that actively involve students in the use of a wide range of appropriate print, non-print, and human resources. Teachers need to be provided with an ever-increasing selection of books and other instructional materials in order to be able to choose those that meet the different needs and aptitudes of their pupils.

These lists of texts include titles that do not provide material for an entire course and that would, therefore, not have qualified as texts in the past. Some of these take a unique approach to a subject and cover only part of a course of study; others provide a challenge for advanced pupils and offer a more sophisticated treatment of a course; still others develop one or more topics in depth and provide enrichment or resource material.

For the selection of texts for literature and for courses for which the texts listed do not provide material for the complete course, see section 3(b), "Textbooks Requiring Only Board Approval".

Cycle intermédiaire Liste 3

Introduction

La liste 3 énumère les titres agréés pour le cycle intermédiaire. On demande aux conseils scolaires de mettre à la disposition de leurs élèves en nombre suffisant les manuels scolaires choisis à partir de la liste 3.

Il y a lieu de remarquer que l'on tend maintenant à ne plus utiliser un seul manuel scolaire par année d'études comme instrument principal d'enseignement. On insiste au contraire, de plus en plus, sur l'élaboration de programmes axés sur les ressources où les élèves utilisent activement un large éventail de ressources humaines et de matériel imprimé et non imprimé. Il faut fournir aux enseignants un nombre toujours plus grand de livres et autre matériel didactique pour qu'ils puissent répondre aux aptitudes et aux besoins variés de leurs élèves.

Les listes de manuels scolaires comprennent des livres qui ne couvrent pas toute la matière d'un cours et qui, pour cette raison, n'auraient pu se définir autrefois comme des manuels scolaires. Certains livres adoptent une présentation originale de la matière et ne couvrent qu'une partie d'un cours; d'autres intéresseront les élèves de niveau plus avancé car ils offrent un traitement plus complexe du sujet; d'autres encore s'étendent plus en profondeur sur un ou plusieurs sujets et fournissent une documentation supplémentaire utile et intéressante.

Pour choisir des manuels devant être utilisés dans des cours de littérature ou des cours dont les manuels inscrits ci-dessous ne couvrent pas la matière au complet, veuillez vous reporter à la rubrique 3(b) «Choix de manuels ne nécessitant que l'approbation du conseil scolaire».

A black dot (●) preceding a title indicates a new listing or a listing that has appeared in one of the previous supplements Circular 14A or Circular 14B.

Le point (●) qui précède le titre d'un document indique qu'il est nouvellement inscrit ou qu'il apparaissait dans un des suppléments précédents (Circulaire 14A ou Circulaire 14B).

Since the books listed below may not provide enough material for an entire course, section 3(b) of the preliminary pages applies to this guideline.

Étant donné que les manuels inscrits ci-dessous ne couvrent pas nécessairement la matière du cours au complet, l'article 3(b) des pages préliminaires s'applique à ce programme-cadre.

Senior Division Schedule 4

Introduction

Schedule 4 contains the titles approved for use in the Senior Division. School boards will provide texts selected from Schedule 4 in numbers sufficient for the use of their pupils.

There is a need to recognize the trend away from the use of a single text per grade as the principal instrument of instruction. Instead, there is an increasing emphasis on the development of resource-based programs that actively involve students in the use of a wide range of appropriate print, non-print, and human resources. Teachers need to be provided with an ever-increasing selection of books and other instructional materials in order to be able to choose those that meet the different needs and aptitudes of their pupils.

These lists of texts include titles that do not provide material for an entire course and that would, therefore, not have qualified as texts in the past. Some of these take a unique approach to a subject and cover only part of a course of study; others provide a challenge for advanced pupils and offer a more sophisticated treatment of a course; still others develop one or more topics in depth and provide enrichment or resource material.

For the selection of texts for literature and for courses for which the texts listed do not provide material for the complete course, see section 3(b), "Textbooks Requiring Only Board Approval".

Cycle supérieur Liste 4

Introduction

La liste 4 énumère les titres agréés pour le cycle supérieur. On demande aux conseils scolaires de mettre à la disposition de leurs élèves en nombre suffisant les manuels scolaires choisis à partir de la liste 4.

Il y a lieu de remarquer que l'on tend maintenant à ne plus utiliser un seul manuel scolaire par année d'études comme instrument principal d'enseignement. On insiste au contraire, de plus en plus, sur l'élaboration de programmes axés sur les ressources où les élèves utilisent activement un large éventail de ressources humaines et de matériel imprimé et non imprimé. Il faut fournir aux enseignants un nombre toujours plus grand de livres et autre matériel didactique pour qu'ils puissent répondre aux aptitudes et aux besoins variés de leurs élèves.

Les listes de manuels scolaires comprennent des livres qui ne couvrent pas toute la matière d'un cours et qui, pour cette raison, n'auraient pu se définir autrefois comme des manuels scolaires. Certains livres adoptent une présentation originale de la matière et ne couvrent qu'une partie d'un cours; d'autres intéresseront les élèves d'un niveau plus avancé car ils offrent un traitement plus complexe du sujet; d'autres encore s'étendent plus en profondeur sur un ou plusieurs sujets et fournissent une documentation supplémentaire utile et intéressante.

Pour choisir des manuels devant être utilisés dans des cours de littérature ou des cours dont les manuels inscrits ci-dessous ne couvrent pas la matière au complet, veuillez vous reporter à la rubrique 3(b) «Choix de manuels ne nécessitant que l'approbation du conseil scolaire».

A black dot (●) preceding a title indicates a new listing or a listing that has appeared in one of the previous supplements Circular 14A or Circular 14B.

Le point (●) qui précède le titre d'un document indique qu'il est nouvellement inscrit ou qu'il apparaissait dans un des suppléments précédents (Circulaire 14A ou Circulaire 14B).

Courses developed from this guideline may be presented effectively from a variety of resources, without the use of a basic textbook. See the preliminary pages, section 3(b), if a textbook is to be used.

Honour Graduation and/or Ontario Academic Courses

Schedule 5

Introduction

Schedule 5 contains the titles of some of the texts to be used with courses leading to the Secondary School Honour Graduation and/or with Ontario Academic Courses. School boards are not required to purchase texts for courses leading towards the Honour Graduation or for Ontario Academic Courses – see Ontario Regulation 262, 7(4).

The list is not intended to be restrictive. The teacher may make his or her own choices in consultation with the principal and subject to the approval of the local school board.

These lists of texts include titles that do not provide material for an entire course. Some of these take a unique approach to a subject and cover only part of a course of study; others provide a challenge for advanced pupils and offer a more sophisticated treatment of a course; still others develop one or more topics in depth and provide enrichment or resource material.

Le diplôme d'études secondaires supérieures et les cours préuniversitaires de l'Ontario

Liste 5

Introduction

La liste 5 contient les titres de quelques-uns des manuels scolaires devant être utilisés dans les cours préparant au diplôme d'études secondaires supérieures ou dans les cours préuniversitaires de l'Ontario. Les conseils scolaires ne sont pas tenus d'acheter des manuels pour les cours du diplôme d'études secondaires supérieures ou pour les cours préuniversitaires de l'Ontario [voir le *Règlement de l'Ontario 262*, article 7(4)].

Cette liste n'est pas restrictive. En consultation avec le directeur ou la directrice d'école, les enseignants peuvent choisir les titres qu'ils jugent pertinents et les soumettre à l'approbation de leur conseil scolaire.

Les listes de manuels scolaires comprennent des livres qui ne couvrent pas toute la matière d'un cours. Certains livres adoptent une présentation originale de la matière et ne couvrent qu'une partie d'un cours; d'autres intéresseront les élèves plus avancés car ils offrent un traitement plus complexe du sujet; d'autres encore s'étendent plus en profondeur sur un sujet ou un autre et fournissent une documentation supplémentaire utile et intéressante.

Listings for French as a Second Language in *Circular 14, 1985*

This chart, which lists textbooks by divisions, should be used in conjunction with *Circular 14: Textbooks, 1985* and the guideline *French, Core Programs, 1980* in planning courses in French as a second language for 1985-86. The chart is intended as an aid for administrators and teachers in selecting texts from *Circular 14, 1985* and will help to ensure the development of well-sequenced core programs that are consistent with the guideline *French, Core Programs, 1980*.

The accumulated hours of French study that students should have *before* they begin to use each textbook or kit are indicated. In secondary schools, the accumulated hours refer to advanced-level courses. When selecting texts for use at the general and basic levels, adjustments will have to be made to meet the specific needs and interests of the students. School boards using or planning to use materials for advanced-level core French courses that do not conform to the hours indicated must obtain approval from the ministry.

Where a board produces and uses its own materials, it should ensure that permission has been obtained for the inclusion of any copyright materials. Any published materials that are subsequently introduced must be sequential with the board materials that preceded them.

Ouvrages destinés à l'enseignement du français langue seconde figurant dans *la Circulaire 14, 1985*

Le présent tableau contient une liste de manuels de français répartis par cycles. Il est conçu de façon à être utilisé conjointement avec la *Circulaire 14. Manuels scolaires, 1985* et le programme-cadre *French, Core Programs, 1980* pour la planification des cours de français langue seconde de l'année 1985-1986. Le tableau a pour objet d'aider les administrateurs et les enseignants à choisir dans la *Circulaire 14, 1985* des manuels qui leur permettront de mettre en place des programmes de base suivis répondant aux exigences du programme-cadre *French, Core Programs, 1980*.

Le nombre d'heures de français que doivent avoir accumulé les élèves *avant* de commencer à se servir d'un manuel ou d'une trousse y est indiqué. Dans le cas des écoles secondaires, il s'agit des heures accumulées dans des cours de niveau avancé. Il sera nécessaire, lorsqu'on choisira des manuels pour les niveaux général et fondamental, de faire les adaptations appropriées afin de répondre aux besoins et aux intérêts des élèves. Les conseils scolaires qui utilisent ou projettent d'utiliser du matériel conçu pour les cours de français de base au niveau avancé sans que les élèves aient accumulé le nombre d'heures indiqué doivent obtenir l'approbation du ministère.

Lorsqu'un conseil scolaire produit et utilise son propre matériel pédagogique, il doit s'assurer que l'on ait obtenu la permission d'y inclure tout matériel protégé par des droits d'auteur. Tout matériel publié qui est introduit ultérieurement doit faire suite à ce qui a déjà été utilisé par le conseil.
